Our Story

Founded in 2010, [ThreeBestRated®](#) was born from our founder's personal experience of struggling to find a reliable garage contractor. Determined to make things easier for others, he created a platform to connect the best local businesses with customers completely free of cost.

Our Mission

Our mission is simple to help small businesses gain visibility while making it easier for customers to find trusted professionals in their locality. We identify the top three businesses in each city purely based on quality, performance, and credibility using our unique [50-Point Inspection](#). Every business listed on ThreeBestRated® is meticulously handpicked and independently verified by our trained business analysts. We proudly follow a 'No Pay to Play' policy. There is no pay or sign-ups involved for both businesses and customers. We take pride in helping 4.5 millions of people in their day-to-day concerns!

Active in 8 major countries

Public Relations & Media Features

At ThreeBestRated®, we believe great businesses deserve great recognition. We offer PR and media promotions to our clients every year. This campaign highlights the achievements of listed businesses through press releases, featured stories and interviews published on trusted global platforms. We help businesses position themselves on the Google News along with both global and local media outlets. This exposure not only boosts credibility but also helps businesses reach wider audiences and build stronger reputations.
